Road Safety Week - 20-26 November 17

Road crashes remain one of the biggest causes of death and serious injury among children and young people, and dangerous roads also have a major impact on their ability to walk, cycle and live healthy active lifestyles. This makes it so important to develop everyone's awareness of the risks and also how the situation can be improved by individuals and communities now and in the future.

This year the main theme is 'Speed Down, Save Lives'.

Please understand that the following items are important to the smooth running of the school and keeping your child safe.

EXACT MONEY PLEASE!

Please only send in exact payment for trips and dinners. The office is unable to issue change. Any money collected is banked as quickly as possible for security reasons.

School dinner register - The reason why we ask children to stay with their dinner or packed lunch options for half a term is to assist the kitchen with ordering food and reduce the time it takes for teachers to do registers every morning. If your child normally brings a packed lunch and does not bring it to school, the school office will call parents, asking that you bring it in before 12 noon.

Dear Parent/Carer

Your child must be supervised by an adult in the playground until the bell rings at 8.50am. A number of children have recently been left in the playground with no supervision, and have either misbehaved or had tumbles.

PLEASE STAY WITH YOUR CHILD UNTIL THE BELL RINGS. Thank you.

Dear Parent/Carer

Just a reminder that the school car park cannot be used during school hours (the exception being if you have an appointment or picking up at the end of an after school club). The car park gates will be closed at 8.50am.
