WHOLE SCHOOL CAREERS' DAY

As part of the PSHE curriculum, Mrs Hunt has organised a whole school 'careers day' around the theme of '**The Apprentice**'.

Children will be set tasks and work in teams, utilising their various skills to design, produce and market a product with a healthy eating theme. The Fire Brigade will also be visiting the school to share their experiences of working as a team in the workplace.

You're Hired!

Maths Parents' Meet

Miss Coombs would like to start by thanking those parents who attended the Lower School maths' meetings this week. She and Mrs Ayling hope you found the sessions informative and useful. There are spare booklets available if you wish to collect one from the school office.

The Upper School Maths' sessions will be as follows:

8.50am in the Annexe on Wednesday, 7 June.

and/or

8.50am in the Annexe on Friday, 9 June.

Tea, coffee and cake will be served and the top playground will be available for parking.

Both teachers look forward to a good turnout.

YEAR 6 - Congratulations to our cricket team who won the Kwik Cricket this week and are now in the finals.

YEAR 6 - had a lovely day at Chessington World of Adventure yesterday. Thank you to the staff who arranged and supervised the day out.

The pupils and staff thoroughly enjoyed assembly on Tuesday. **Thank you Chloe, Hibba and Lucy** for entertaining us with excellent clarinet playing.

Can we remind parents that in mid-June a letter will be sent home to **all** parents about music lessons.

Congratulations to John Paul, who won second place in the junior photographer of the year competition, run by Pink Lady Apples.

Ivy, one of our Year 5 pupils, is performing in 'Evita' at the Milton Keynes Theatre. Well done, Ivy.

Thank you children and parents for the many tidy hairstyles around school this week. There were ponytails and plaits of all shapes and sizes.

We encourage our pupils to look smart in their school uniforms and we thank parents for supporting us.

Once more we are hoping you can help with Design and Technology projects. Please bring in any tubes from inside of kitchen rolls and Pringle tubes (not toilet rolls).
