

English

Our English this term will be closely linked to our cross curricular themes. We will be learning about the Author Allan Ahlberg and learning how to write in his unique style, and we will also be writing our own instruction texts and recounts. In grammar, we will learn about adverbs, prepositional phrases and different sentence types.

Science

As part of our cross curricular themes, children will be learning about the human skeleton, different types of rocks and soils and what conditions plants need to grow. We will also be developing our scientific enquiry skills and developing our own fair tests.

Music

The children will continue to learn new techniques on the violin with Mrs Cooke.

Funny Bones

Our short funny bones topic is jam packed with elements from English, Maths, Science and D.T. We will be reading Alan Ahlberg's classic book and even be making our very own moving skeletons!

WELCOME TO SPRING TERM

Mathematics

In Mathematics this term, we will be focusing on multiplication and division so please keep practising at home! We will also be learning about fractions. Below is a link to an excellent online game to get you started:

<http://resources.hwb.wales.gov.uk/VTC/ngfl/ngfl-flash/fractions/fractions.html>

Welcome to Bedrock

We will be learning about life in Stone Age Britain: how people began to settle and develop tools, how they lived and what they left behind. We will be producing cave paintings, writing Stone Age Recipes, learning about all different types of rock and soil and even carrying out

There will be lots of exciting things going on early in the Spring Term. Please keep your eyes open for information in the weekly newsletters. If you have any queries or concerns, please come and speak to us at the end of the day when all of the children have left.

Mrs Cooper Battersby and Miss Williams

Old Macdonald Had a Farm...

Moving on from 'Welcome to Bedrock', we will be looking at life for the earliest farmers in the Iron Age. We will also try our hand at sowing some seeds, making our very own Vegetable Kebabs and creating artwork inspired by Andy Warhol.

CELT DAY

During the Spring Term we will be having our very own Celt Day where the children will get to dress up and experience life as a Celtic Farmer. More information to follow nearer to the time. If you want to make a head start on your costume for Celt Day, please see the link below:
