2<sup>nd</sup> November 2020

Dear Parents/Carers

With COVID cases rising nationally and locally, and a nationwide lockdown starting from this Thursday 5 November, we are now asking all parents to wear a mask at all times when on school grounds from tomorrow, Tuesday 3 November. This can be either disposable or reusable and should be worn to cover the nose and mouth – masks worn below the nose do not stop the transmission of the coronavirus. Children do not need to wear masks.

A reminder of other measures we have put in place to protect all staff, parents and children, and thank you for continuing to stick to these:

- There is a one-way system through the school grounds.
- Stick to the staggered start and finish times for your child's class and do not come onto the grounds earlier as this makes social distancing more difficult
- One adult per family to come onto the school grounds
- Stay at least 2 metres from other adults at all times, including teaching staff
- Please do not linger in groups to chat but drop off / pick up and leave the grounds (particularly around the entrances/exits to the school playgrounds)

If you have a medical exemption from wearing a mask, please contact us to let us know.

Can we also remind you that if your child or anyone in your household has any COVID symptoms (temperature, persistent cough and loss of taste / smell) you **MUST** self-isolate and arrange a test as soon as possible. It is essential that you let the school office know if your child or someone they have been in contact with has symptoms or tested positive for COVID. If you are leaving a message on the voicemail, please explain clearly what is wrong with your child as 'ill' or 'poorly' is not enough information.

We appreciate your support with these measures which help us to protect the school and wider community at this very challenging time.

Many thanks

Miss J Brooks
