

Field Junior School – Meeting National Curriculum Requirements for Swimming and Water Safety

% of 2019 Year 6 cohort swimming competently, confidently and proficiently over a distance of at least 25 metres	60%
% of current year 6 cohort using a range of strokes effectively	53%
% of Year 6 cohort performing safe self-rescue in different water based situations	30%
Use of Sports premium to provide additional provision over and above National Curriculum Requirements	Used to run school awards scheme – including certificates and medals Additional staff training.

Swimming provision and achievement has reduced over the past school year – due to a lack of pool availability. Children in Years 4-6 had one term of weekly lessons rather than the usual two terms.

We are pleased that pool availability for the forthcoming year (2019-20) will give the children two terms of swimming provision – and we anticipate a greater level of proficiency both in terms of National Curriculum expectations and ASA award achievement.
