

Field Junior School

Summer Term
1st May 2026

During our recent assemblies, the children have been learning all about Brazil, and it has been fantastic to see their enthusiasm and curiosity as they discover more about this vibrant country, its culture, geography and people.

I'm thrilled to share some exciting news regarding our Great Athletes visit back in March. Following this wonderful event, we have received a voucher for £345.60, which will be put towards new sports equipment for our school. This is a tremendous boost to our physical education provision and will greatly benefit all the children as they continue to develop their sporting skills and love of physical activity.

As the weather continues to warm up, I would like to take this opportunity to remind you about ensuring that your child's clothing is clearly named. We have noticed that we have accumulated quite a lot of lost property here at school, with the majority of these being fleeces, jumpers and cardigans. If you believe any of these items might belong to your child, please do pop into reception to have a look through what we have. It would be wonderful to reunite these items with their owners, and naming clothing really does help us to do this more efficiently.

I would also like to remind you about driving safely around school and when parking. The roads are tight and it is very busy during the morning drop-off and afternoon pick-up, so your care and attention during these times is greatly appreciated and helps to keep everyone safe.

Finally, I wanted to remind you that Monday 4th May is a bank holiday and school will be closed. I do hope you and your families enjoy the bank holiday weekend and make the most of the extra time together. We very much look forward to welcoming all the children back on Tuesday 5th May.

NHS Numbers

We are currently updating our pupil records on Arbor. As part of this process, we require all children's NHS number.

This information is essential for two key reasons:

- To enable us to complete any necessary health referrals quickly and efficiently
- To ensure we have accurate medical details when your child attends residential trips or off-site activities

Please complete the Microsoft Form with your child's NHS number at your earliest convenience. This will only take a few moments of your time NHS Number – Fill in form

We have a new spelling scheme known as 'Emile' that the children have started using in school. Emile is a highly regarded, structured program which develops spelling across the year groups. An email was sent out on Tuesday with information on how to download the app and log on.

This year's SAT's will take place during the week of Monday 11th May until Friday 15th May.

Attendance and punctuality are absolutely crucial as the children prepare for their SATs. Every day in school counts, and we would really appreciate your support in ensuring that your child is in school every day if at all possible. Year 6 begin their day with early bird learning as soon as they arrive, so arriving on time means they don't miss out on this valuable learning time. These final weeks are so important for consolidating their learning and building their confidence, and we want to give every child the very best chance to succeed.

Young Carers Offer

Support for Young Carers is now being provided by a new Young Carers team within Hertfordshire County Council, following the end of the young carer contract with Carers in Hertfordshire.

This includes assessments, help with managing caring responsibilities, regular reviews, ensuring the voices of young carers inform the support they receive, and support in preparing for adulthood.

The registration process for young carers is now via a new Young Carers webpage Young carers in Hertfordshire | Hertfordshire County Council. This new webpage has been developed in collaboration with young carers and their families and includes information about the support available, team contact details, and 'a Day in the Life of' form to register a young carer online so that they can get the support they need.

Hertfordshire County Council has contacted all registered young carers directly to welcome them, provide updated contact information, details on how to access support, and a link to the new webpage.

If you need to make contact with the team, please email youngcarers@hertfordshire.gov.uk or call 01992 658469

Good attendance is vital for all children to support their learning and social development. Following government guidance, we have a duty to inform parents/carers if their child has had several absences from school. If your child's absence is 10% or more, so that attendance is below 90%, they are classed as persistent absentee, and you are at risk of a breach notice and a fixed penalty notice.

This week's attendance award winners are:

5W 98.8%

All other classes' attendance this week:

4T and 5OB 98.7%

3H and 6S 98%

6K 97.1%

4P 93.7%

3C 93.3%

Well done to all - Great attendance figures this week !

Last week, tournaments were set up so that year groups competed against each other.

Year 3 beat year 4

Year 6 beat year 5

Hares won the house competition.

The same competitions have been set up this week. Encourage your children to know their timetables fluently and to work as a team to win.
