

Field Junior School

Autumn Term
2nd October 2026

It's been wonderful to see so many of you at our meet the teacher sessions over recent weeks. Thank you for taking the time to come along and connect with your child's class teacher. For those who attended sessions where slides were shared, these have now been emailed out to you, so do have a look if you'd like to revisit any of the information covered.

This week we were delighted to welcome Herts Young Homeless to school for a whole school assembly. They delivered an important message about youth homelessness, raising awareness of its effects and highlighting why early prevention is so crucial. Following the assembly, our Year 6 children participated in a dedicated workshop focusing on anger management. The session explored how to recognise triggers and equipped them with practical methods to manage their emotions effectively. The team will be returning next week to work with Year 6 again, this time delivering a workshop on conflict resolution, strategies for managing disagreements, and how to maintain healthy relationships. These are valuable skills that will serve our children well both now and in the future. Alongside this newsletter is a flyer with information about an online follow-up session to the workshops that have taken place in school.

On a more practical note, if your child is in Year 4, you will have received a letter and email regarding the Phasel Wood residential visit. Please note that the deposit deadline is 2nd November. Similarly, Year 6 families will have received information about the Woodrow residential, along with deposit details. Do get in touch with the office if you have any questions about either visit.

I'm also pleased to share that we're adding something new and exciting to our after-school provision. We're launching a brand new after school club – KKTS Textile Studio. Further details about how to book and what the club will offer are available below, so do take a look if this sounds like something your child might enjoy.

Finally, I'd like to make a plea regarding our lost property box, which is currently overflowing! The challenge is that most items are unnamed, which makes it incredibly difficult for us to reunite them with their owners. If your child has lost something recently, please do pop into the office and have a look

We are super excited to add a new after school club to the list of clubs we already offer!

KKTS Textile Studio is a tight-knit community of young creatives learning skills and creating projects with a focus on prints but drawing upon all the textile arts to broaden their knowledge and understanding of this fun and engaging discipline. Learning to create prints using many different techniques, felt making, creating their own materials, hand sewing and machine sewing, embroidery and more.

The children will enjoy creating their very own custom pieces within each session and at the end of their 6 sessions they can bring it home. All equipment is included

The sessions will take place on a Wednesday starting from 4th November.

To secure your child's place please visit [Field Junior School - Year 3 - 6 - KKTS Textile Studio](#)

To celebrate **European Day of Languages on 26th September**, children will be creating a poster based on this year's theme, **"Languages Unite!"**

Children can use drawings, flags, words, phrases and symbols to show how languages can bring people together and help us learn about different cultures.

There will be one winning poster from each class, which will be proudly displayed in the classroom. We can't wait to see the children's creative and colourful ideas! The top 3 will be entered into the European Day of Languages competition.

Good attendance is vital for all children to support their learning and social development. Following government guidance, we have a duty to inform parents/carers if their child has had several absences from school. If your child's absence is 10% or more, so that attendance is below 90%, they are classed as persistent absentee, and you are at risk of a breach notice and a fixed penalty notice. Don't forget to visit the "is my child too ill for school" NHS website to check if your child really needs to miss a day of school.
