

Field Junior School

Summer Term
4th July 2025

What an absolutely wonderful week we've had at Field Junior School! I'm delighted to share some fantastic highlights with you all.

Our Year 4 children returned on Wednesday from their residential trip to Phasel's Wood, and despite the record-breaking temperatures we've been experiencing, they had the most fantastic time. I couldn't be prouder of how brilliantly they all conducted themselves throughout their stay. These residential experiences are so valuable for our children, helping them build confidence, independence, and lasting friendships whilst enjoying the great outdoors.

I'm delighted to share with you the wonderful adventures our Year 4 children have been having while their classmates were away at Phasel's Wood. These children have been absolutely brilliant, and I couldn't be prouder of them. Our young explorers ventured to our beautiful local Oxhey Park, where they immersed themselves in nature's classroom. The children were thrilled to go pond dipping, and what a discovery they made – they found a newt, which they lovingly named Norman! The excitement on their faces was truly something to behold. But the adventure didn't stop there. Using their natural treasures collected from the park, along with paint, the children created stunning painted canvases. What impressed me most was how impeccably behaved our children were throughout these activities!

Meanwhile, our Year 6 children also had a wonderful day out on Tuesday at the Hertfordshire Food and Farming Day, held at the Hertfordshire Country Show grounds. The children got to enjoy tractor rides, petting animals, talking to the police, and learning about bee's. It's always such a pleasure to see our children engaging with learning beyond the classroom walls, and they represented our school beautifully throughout the day.

Looking ahead, I wanted to remind you all about our whole school transition day taking place on Thursday 10th July. This is an important day in our school calendar as children prepare for their move to new year groups. Please note that Year 6 children are not required in school on this day, as they'll be spending time at their new secondary schools. A letter will be sent out to parents informing you of your child's new class teacher shortly.

Our Year 3 children have been fully immersed in their Ancient Greece topic, and on Thursday and Friday, they had the fantastic opportunity to create their own Greek-inspired vegetarian kebabs. The children were absolutely delighted with their culinary creations and thoroughly enjoyed learning about ancient Greek cuisine whilst developing their cooking skills. It was lovely to see their enthusiasm and pride in their work.

Thanks to your generous donations of printer cartridges, we have successfully raised £20 for our school!

This might seem like a small amount, but every contribution makes a real difference to the opportunities we can provide for our children.

For those who may have missed it, we have a blue recycling box located inside the main school reception area where you can drop off your used printer cartridges. The school receives £1 for each cartridge donated, which creates a fantastic opportunity for us to raise funds for various school projects and initiatives that directly benefit our children's learning experience.

Your continued support in this small but meaningful initiative helps us enhance the educational opportunities we can offer. Please do keep those cartridges coming!

Dinner Accounts

Please ensure that your child's dinner account has sufficient credit before they order their meal each day. A dinner is £3.50 per day. It's essential that there is money on the account prior to your child having their dinner - we ask that you don't wait for the office to contact you about low balances, as this can cause unnecessary delays and disruption to the smooth running of our lunch service.

This is particularly important for our Year 6 children. All accounts must have the correct amount of money for July meals to be taken. As previously mentioned each meal costs £3.50. Therefore, please can you calculate the days your child will be having dinners and top up accordingly. Please contact the school office if you require assistance.

There are several convenient ways to add credit to your child's account. You can make payments through your child's Arbour profile online, call the school office to pay over the phone, or send cash to school in a clearly marked envelope with your child's name and class written on it.

Dates for
the Diary:

Summer Term

Thursday 10th July Transition Day – YR 6 Children are not required to attend school

Monday 21st July Year 6 Performance and achievement awards 5pm

Wednesday 23rd July Last day of the academic year 1:30pm finish

Autumn Term

Wednesday 3rd and 4th September Inset Day's School Closed

Friday 5th September Start of Autumn Term

Thursday 18th September Yr 5 Swimming Starts

Friday 26th September Flu Immunisations

Good attendance is vital for all children to support their learning and social development. Following government guidance, we have a duty to inform parents/carers if their child has had several absences from school. If your child's absence is 10% or more, so that attendance is below 90%, they are classed as persistent absentee, and you are at risk of a breach notice and a fixed penalty notice.

This week's attendance award winners are
5T 97.8%

All other classes attendance this week:

3W 97.6%

6OB 96.3%

5W 95.7%

6K 95.6%

3M 94.8%

4H 94.8%

4C 94.6%

Well done to all - Great attendance figures this week !!

Lower School winners

3M

Upper School winners

5T

House Winners

Hares - 1st place

Badgers - 2nd Place
