

Field Junior School

Spring Term
6th March 2026

What a wonderful week we've had at Field Junior! Our first book fair opened its doors on Monday and Thursday, and I was delighted to see so many of you and your children browsing the wonderful selection of books on offer. If you weren't able to join us this week, please don't worry – we have three more dates coming up when the fair will be running: Monday 9th March, Thursday 12th March, and Monday 16th March. Do make a note of these in your diaries. I would just like to remind you that the book fair operates on a cash-only basis, so please bring along some coins or notes when you visit.

I would also like to take this opportunity to encourage those of you who haven't yet booked a parents consultation appointment to do so. These sessions are such a valuable opportunity to spend time with your child's teacher, discuss their progress, and celebrate their achievements. Our first parents evening is coming up this coming Tuesday, and we still have slots available. If you are planning to attend, please do ensure that you arrive on time for your chosen slot so that we can keep to schedule and give every family the time they deserve.

Our Year 4 Egyptian day is fast approaching, and I would like to extend my sincere thanks to all of you who have already made contributions towards this exciting event. It promises to be a memorable day for our Year 4 children. If you haven't already done so, please ensure that you have given your consent for your child to take part in the day via their Arbor profile. For those of you who would still like to make a contribution, you can do so through Arbor as well.

Finally, I'm pleased to let you know that class pictures are now ready to view and purchase. An email containing the link was sent out on Tuesday 3rd March, so do have a look and see your child's class photo. Tempest are generously offering free delivery to school for approximately 14 days. If you would prefer home delivery, this is also available at a cost of £5 for postage and packaging.

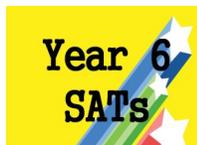

On Monday 9th, our Year 5 will be taking part in a KNEX STEM workshop. Each class will have the chance to design, build, and present their models – a wonderful opportunity for our children to develop their creative and problem-solving skills.

Finally, I'm delighted to share that the Christmas card designs created by our children over the festive period raised an impressive £191.26. Thank you to everyone who supported this initiative.

On Monday 23rd March we will have a non uniform day to celebrate Eid with our families.

This year's SAT's will take place during the week of Monday 11th May until Friday 15th May.

All Year 6 children are expected to be in school this week.

Brand New After School Club—Friday's

Brain Up Club is psychologist-designed programme that helps children build focus, emotional regulation, problem-solving and confidence through science, hands-on and off-screen play.

By the end of the programme, children create their own off-screen game and gain a deeper understanding of what helps them feel calm, confident and focused.

Good attendance is vital for all children to support their learning and social development. Following government guidance, we have a duty to inform parents/carers if their child has had several absences from school. If your child's absence is 10% or more, so that attendance is below 90%, they are classed as persistent absentee, and you are at risk of a breach notice and a fixed penalty notice.

This week's attendance award winners are:

5W 100% and 6K 100%

All other classes' attendance this week:

4T 99.3%
3C 98.9%
6S 97.8%
4P 97.8%
