

Field Junior School

Summer Term
10th July 2026

What a busy and exciting week we've had at Field Junior School! As we edge closer to the end of term, there's been so much happening across the school, and I wanted to take a moment to share some of these wonderful updates with you.

On Tuesday, we had the pleasure of welcoming our new Year 3 parents to a parent meeting. It's always lovely to connect with families as they begin their journey with us at Field Junior School. Then on Thursday, we held our transition day – a really important occasion for our children. They had the opportunity to visit their new classrooms and meet the teachers who will be guiding them through the year ahead. The children spent time settling into their new environments and taking part in some engaging activities. It's a day we know many of them look forward to, and it helps to ease any nerves about the changes ahead. Our Year 6 children also had their transition days at their new secondary schools, which marks an exciting milestone as they prepare for the next chapter of their education.

I do need to share some bittersweet news. Miss Popa will be leaving us at the end of term, and we want to take this opportunity to thank her sincerely for the wonderful year she has spent working with our Year 4 children. She will be greatly missed by everyone here at Field Junior School. However, we are absolutely delighted to welcome back Miss Williams, who is returning from maternity leave. Miss Williams and Mr Harvey will be sharing one of our Year 4 classes, which will be known as 4WH. We're looking forward to having Miss Williams back with us.

Looking ahead to next week, we have our Summer Concert to look forward to! This is always such a special event in our school calendar, and I do hope you'll be able to join us. Please see the information below for all the details you need.

We also have a wonderful opportunity coming up for our Year 3 families. An email has been sent inviting you to a violin concert. This is a fantastic chance for the children to enjoy some live music, and I'd encourage you to take a look at the information below for further details.

Finally, your child's end of year reports have been sent home today. These reports provide a snapshot of your child's progress and achievements over the year, and I do encourage you to take the time to read through them carefully. They offer valuable insights into how your child has been getting on.

We are delighted to invite you to a wonderful celebration of the musical talent within our school community which will take place on **Monday 13th July after school lasting for approximately 1 hour.**

Letters have been sent home with the children who have been selected to play in the concert. Please complete the slip at the bottom of the form and return back to school.

Whether you're a parent or family member everyone is warmly welcome to join us. We very much look forward to seeing you there!

On Universal Credit? Your Child Could Get Free School Meals

From September 2026, the eligibility criteria for Free School Meals (FSM) will be changing. From the start of the new school year, all parents/carers **who are in receipt of Universal Credit will be eligible for Free School Meals**, regardless of the amount received.

Applying takes around 5 minutes, and you will need your National Insurance number. Applications can be made using the following link:
[Free school meals and other benefits | Hertfordshire County Council](#)

There is no requirement for pupils who are already receiving Free School Meals to re-apply

Even if your child does not currently take a school meal regularly, I would still encourage you to apply. Not only will your child have access to a hot, nutritious meal at lunchtime when they need it, but there is an additional benefit to the school as well. When families access Free School Meals, the school may receive additional funding to support our pupils further. This funding helps us to provide enhanced learning experiences and support for all children in our care.

If you would like a paper copy of the application form please contact the school office.

School will inform you of the outcome.

If you require any further information or support with your application, please contact the school office where we will be more than happy to help.

Good attendance is vital for all children to support their learning and social development. Following government guidance, we have a duty to inform parents/carers if their child has had several absences from school. If your child's absence is 10% or more, so that attendance is below 90%, they are classed as persistent absentee, and you are at risk of a breach notice and a fixed penalty notice.
