Summer Term  
11th July 2025

What an exciting week it has been here at Field Junior School! I hope you're all managing to keep cool in this lovely summer weather as we approach the final stretch of our academic year.

I'm delighted to share that end of year reports were sent home today, and I do hope you'll take the time to sit down and read through them properly. You'll notice there are two copies included - one for you to keep for your records, and the other I'd be grateful if you could return to us with both your comments and your child's thoughts about their year. It's always wonderful to hear the children's reflections on their learning journey, and your feedback is invaluable to us as we continue to support each child's development.

Alongside the reports, you'll find your child's attendance certificate for the year - a lovely reminder of their commitment to their education. Our Year 6 parents will also discover their child's SAT results tucked in there too, which brings me to some particularly exciting news.

We received our SAT results this week, and I have to say, I'm absolutely bursting with pride at how well our children have performed. Their hard work, dedication, and resilience have truly paid off, and it's a testament to the fantastic support they receive both at school and at home, especially as (in my opinion) COVID affected this cohort's education.

Thursday 10th July marked our transition day, where the children had the wonderful opportunity to visit their new classrooms and meet their teachers for September. There was such a buzz of excitement around school as they explored their new learning environments and began to imagine the adventures that await them next year.

As we near the end of term, I wanted to remind you of a couple of special events coming up. On Wednesday 21st July at 5pm, we have our Year 6 play and assembly - a truly special occasion as we celebrate these remarkable children before they move on to their secondary schools.

Yesterday you were sent a letter informing who would be teaching your child next year.

Firstly, I must share the bittersweet news that Miss Muttucumaru will be leaving us as she moves away from Hertfordshire. Miss Muttucumaru has been a wonderful member of our team, and her dedication to our children has been truly appreciated. We will miss her greatly, but we wish her all the very best in her new adventure. I know you will join me in thanking her for everything she has contributed to our school community.

We also have another departure to announce. Miss Williams will be leaving us for a short time in September/October as she prepares for maternity leave. This is such exciting news for Miss Williams and her family, and we couldn't be happier for her.

On a brighter note, I'm delighted to share that Mrs Thomas, our Deputy Head, will be returning from her maternity leave in September. It will be fantastic to have her back with us, bringing her experience and leadership back to Field Junior School. Mrs Thomas will continue in her role as Head teacher on Fridays, covering my non-working day, ensuring continuity in our school leadership.

We are pleased to welcome a new member of teaching staff in September, Miss Papa. She has already visited and met her new class and the staff.

Our Year 4 children who did not attend the residential embarked on a delightful nature expedition to Oxhey Park, where they collected an array of natural treasures - leaves, twigs, stones, and other beautiful finds from the outdoors. Back in school, they channelled their creativity and transformed these natural materials into a stunning canvas painting that captures the essence of their outdoor adventure..

This magnificent canvas will be proudly displayed in our school corridors for everyone to admire, serving as a wonderful reminder of their creativity and connection with nature. Well done to all our Year 4 artists - you should be incredibly proud of your beautiful work!

Good attendance is vital for all children to support their learning and social development. Following government guidance, we have a duty to inform parents/carers if their child has had several absences from school. If your child's absence is 10% or more, so that attendance is below 90%, they are classed as persistent absentee, and you are at risk of a breach notice and a fixed penalty notice.

This week's attendance award winners are  
**4C 98.6%**

All other classes attendance this week:

**5T and 5W 97.8%**

**3W 96.5%**

## Field Junior Birthdays

Field Junior would like to wish Happy Birthday to the following children:

**Nusaybah 3W, Mahnoor 4H, Aarav 6OB**

### Dinner Accounts

Please ensure that your child's dinner account has sufficient credit before they order their meal each day. A dinner is £3.50 per day. It's essential that there is money on the account prior to your child having their dinner - we ask that you don't wait for the office to contact you about low balances, as this can cause unnecessary delays and disruption to the smooth running of our lunch service.

This is particularly important for our Year 6 children. All accounts must have the correct amount of money for July meals to be taken. As previously mentioned each meal costs £3.50. Therefore, please can you calculate the days your child will be having dinners and top up accordingly. Please contact the school office if you require assistance.

There are several convenient ways to add credit to your child's account. You can make payments through your child's Arbour profile online, call the school office to pay over the phone, or send cash to school in a clearly marked envelope with your child's name and class written on it.

### Absences/Illness —

Please can we remind all parents to call the school office each morning to report your child absent. Press 1 to leave a message on the school answer phone **before 09:00 am.**

If arriving to school late, please can we ask that you record your child's name, class and reason for lateness in the book located in the reception area.

Thank you.
