

Field Junior School

Spring Term
13th March 2026

A huge thank you to all the parents who attended parent consultations on Tuesday. It was wonderful to see so many of you engaging with your child's learning journey. I'd also like to extend my gratitude to our staff for their time and commitment during these sessions. If you haven't yet had the opportunity to meet with your child's teacher, there are still consultation slots available over the coming weeks. Please log onto Arbor to check what times work best for your family. Should you need any assistance with booking, our office team are here to help and will be more than happy to support you. Just to clarify, you only need to see your child's teacher once during this consultation period, so if you attended on Tuesday 10th, there's no need to book an additional slot.

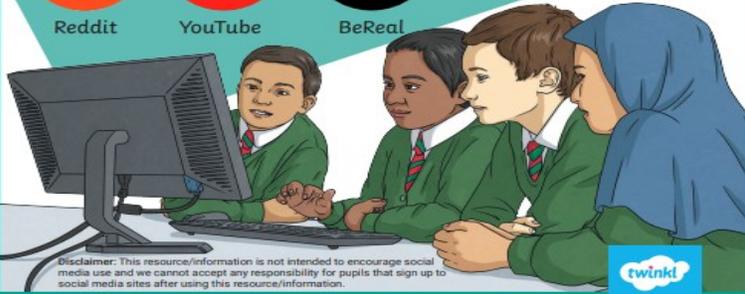

Our book fair will be coming to an end next week, with Monday after school being the final opportunity to visit. It's been lovely to see the enthusiasm from our children as they've selected new reads to enjoy.

On Monday, our Year 4 children will be enjoying their Egyptian day. Thank you to those families who have already consented and made contributions. If you haven't yet done so, please log onto Arbor before Monday to give your consent for your child to participate. We're also still welcoming voluntary contributions, which can be made via your child's Arbor profile under trips. As always, if you need any help with this process, please don't hesitate to contact the school office.

For our Year 4 families, next Thursday will mark the final swimming lesson of the term. It's been wonderful to witness the progress and confidence our children have developed in the water. Looking ahead, swimming lessons will move to our Year 6 children next term, so do keep an eye out for further details about this.

In order to protect the children from the many dangers online, we would like to remind families that pupils should not be using social media apps- all of the popular social media apps have an age rating of 13+ or higher- please see the poster for specific age ratings.

We are hearing more and more of children in school using these apps, including there being class WhatsApp groups etc for the pupils and it is of paramount importance that parents and carers are aware of the dangers use of these apps can expose your children to.

Good attendance is vital for all children to support their learning and social development.

Following government guidance, we have a duty to inform parents/carers if their child has had several absences from school. If your child's absence is 10% or more, so that attendance is below 90%, they are classed as persistent absentee, and you are at risk of a breach notice and a fixed penalty notice.
