

# Field Junior School

Summer Term 13th June 2025

What a wonderful start we've had to this term! After our two inset days, we returned on Wednesday with something truly special - an outdoor learning session that perfectly captured the spirit of hands-on education we cherish here at Field Junior School.

The weather gods were certainly smiling down on us, providing the perfect conditions for our children to immerse themselves in outdoor learning. The enthusiasm and curiosity they displayed was absolutely infectious, and it reminded me once again why outdoor education is such a vital part of our curriculum.

The highlight of Wednesday was undoubtedly our picnic lunch at Oxhey Park, where the entire school community came together. Seeing all our children and staff gathered in the park, sharing stories and laughter over their packed lunches, was a heartwarming sight. These moments of togetherness are what make our school community so special, and I know the day was thoroughly enjoyed by everyone involved.

This morning brought another delightful community event as we opened our doors for our Year 5 families at our very own French Café. The turnout was absolutely fantastic, and it was wonderful to see so many familiar faces joining us for this special morning. Thank you to all the families who were able to attend - your presence and participation in these events truly strengthens our school community and supports your children's learning journey.

Looking ahead, our Year 6 children are preparing for an exciting adventure as they head off to Hudnall Park on Monday for their residential trip. This is always such a significant milestone in their junior school journey, and I know they're all buzzing with anticipation. Please do check the important key information provided below to ensure everything runs smoothly.

Meanwhile, our Year 4 children have their own special treat to look forward to on Thursday with the 'Let's Talk About Animals' visit. This promises to be both fun and educational, as live animals will be brought to school for an engaging presentation that will give our children the opportunity to learn about the natural world in a truly hands-on way.

Finally, I'd like to extend my heartfelt thanks to all the Year 6 parents who have already made contributions towards swimming. Your support is truly valued and makes such a difference. For those who haven't yet had the chance, contributions are still very much appreciated.
