

Field Junior School

Summer Term
15th May 2026

First and foremost, I want to extend our heartfelt congratulations to our Year 6 children who have now completed their SATs exams. We are incredibly proud of each and every one of them. The hard work, dedication, and resilience they've shown throughout their preparation and during the exams themselves has been truly commendable. This is a significant milestone in their junior school journey, and they should feel very proud of what they've achieved. I must also extend a huge thank you to our staff, whose unwavering support has been instrumental in helping our children reach this point.

The excitement doesn't stop there! Next week, our Year 6 children will be heading off on their residential trip to Woodrow. This is always such a highlight of the school year, and the children are understandably buzzing with anticipation. If you haven't already done so, please do take time to read through the email sent on 1st May, which included the slides from the parents' meeting. This email contains all the essential information you'll need, including timings, details of the activities the children will be taking part in, and a packing list. Should you need another copy of this information, please don't hesitate to contact the school office, and they'll be more than happy to help.

I'm also pleased to remind you that our Maths and Reading after-school groups for Years 4 and 5 will be restarting again from this coming Monday. These sessions continue to be a valuable part of our provision, offering children the opportunity to develop their skills in a small group setting with dedicated support.

Before I finish, I want to take a moment to reflect on our Year 6 Maths and Reading groups, which have now concluded for this academic year. These sessions have been a wonderful addition to what we offer our children, and I'm incredibly grateful for the commitment shown by so many of our Year 6 pupils in attending regularly. The dedication and enthusiasm they've demonstrated throughout has been truly impressive. Our teachers would like to extend their heartfelt thanks to each child who has participated. The progress they've made is testament to their hard work and positive attitude.

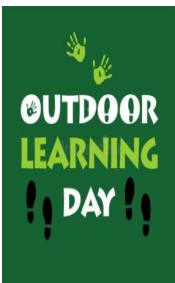

Finally, with the weather continuing to change, I'd like to ask that you ensure your child comes to school with a coat or jacket. Our children really do enjoy spending time outdoors during break and lunch times, and having appropriate clothing means they can make the most of these opportunities, whatever the weather brings.

Jackson Pollock Artwork

Our year 3 children have been looking at the work of Jackson Pollock. Using the painting techniques of splattering, dripping, flicking and dabbing, the children have created their own expressionist abstract paintings.

We will be taking part in an Outdoor Classroom Day on Monday 8th June (Weather Permitting).

The whole school will be meeting together for a **packed lunch picnic in Oxhey Park**. Please provide your child with a packed lunch for the day or contact the office to let us know your child's school packed lunch option.

There will be no hot school dinner that day. Please email or phone the school office to let us know the option for your child for that day **by Wednesday 20th May**, so the kitchen ensure they have ordered enough.

**DATES TO
REMEMBER**

Good attendance is vital for all children to support their learning and social development. Following government guidance, we have a duty to inform parents/carers if their child has had several absences from school. If your child's absence is 10% or more, so that attendance is below 90%, they are classed as persistent absentee, and you are at risk of a breach notice and a fixed penalty notice.

This week's attendance award winners are:

6K 100%

All other classes' attendance this week:

4P 98.1%

6S 97.4%

4T 97.2%

3H 96.3%

5W 96.2%

3C 95.6%

5OB 93.3%

Well done to all - Great attendance figures this week !

Times Tables Rock Stars results are in:

Year 3 and 4 drew. Lots of children are logging on from both classes so well done.

Year 6 beat year 5.

Badgers won the house competition by a lot.

Not many year 5 are logging on and practising their times tables. Multiplication and division skills must be fluent so practising regularly is important to keep this knowledge fresh.

Field Junior Birthdays

Field Junior would like to wish Happy Birthday to the following children:

Maya 6K, Jacob 3H, Saar 3C, Zoya 4T, Areeba 4P, Karol 4P

Year 3 Thursday & Friday

Year 4 Tuesday & Thursday

Year 5 Wednesday & Thursday

Year 6 Monday & Thursday Swimming

Absences/Illness

Please can we remind all parents to call the school office each morning to report your child absent. Press 1 to leave a message on the school answer phone **before 09:00 am**.

If arriving to school late, please can we ask that you record your child's name, class and reason for lateness in the book located in the reception area.

Thank you.

Apple and Google Pay have arrived!

Google & Apple Pay have finally arrived on the Parent Arbor App, making checking out your basket whether it is trips/clubs or meals, a lot easier.

When checking out from your 'Basket' you will be given the option to checkout with either Apple or Google pay or alternatively with a Payment Card.

NHS Numbers

We are currently updating our pupil records on Arbor. As part of this process, we require all children's NHS number.

This information is essential for two key reasons:

- To enable us to complete any necessary health referrals quickly and efficiently
- To ensure we have accurate medical details when your child attends residential trips or off-site activities

Please complete the Microsoft Form with your child's NHS number at your earliest convenience. This will only take a few moments of your time
