

Field Junior School

Summer Term
19th June 2026

I hope you all enjoyed a lovely long weekend in the fantastic sunshine! The wonderful weather we have been experiencing is absolutely delightful, and I would like to take this opportunity to remind parents and carers to please send your child to school with a water bottle. Additionally, if your child is wearing a jacket or fleece in the morning, please ensure that this is clearly marked with your child's name and class, as this really helps us to reunite any lost items with their owners. We have had air conditioning installed in all of our classrooms over the Easter holidays. Any hot weather alerts will not affect us or your children.

Today has been a particularly exciting day in school, as our Year 6 children have enjoyed a special trip out to Cineworld to see Toy Story 5. This is a well-earned treat for our Year 6s as they head towards the end of their time with us here at Field Junior School, and I know they have had a wonderful time.

As we look ahead to the coming weeks, there is plenty to look forward to across the school. On Thursday 25th June, we will be holding our annual sports day – a day that I know many of you anticipate with great excitement. It is always a highlight of the school calendar and a fantastic opportunity to celebrate the sporting achievements and efforts of all our children. Please can you ensure that you have applied sunscreen to your child, send a hat, and a water bottle.

Our Year 4 children will be embarking on their first residential trip to Phasel's Wood on Monday 29th June. This is an exciting milestone for our Year 4s and a wonderful opportunity for them to develop independence, resilience, and teamwork. An email was sent last month containing a full kit list of everything the children will need for their stay. Should you require this list to be resent, please do get in touch with the school office. I would kindly ask that all items are clearly labelled with your child's name to help us keep everything organised during the trip.

With so much happening over the next few weeks, it is an exciting time to be part of Field Junior School. I look forward to sharing updates on how these events go.

YR 6 Food and Farming Day Hertfordshire County Show Tuesday 30th June 2026

Children must arrive promptly at school at 8:50am as the coach is leaving soon after. Please send your child to school in their uniform, with a packed lunch and a water bottle.

We will be holding our annual sports day (on the field) for all year groups on **Thursday 25th June 1:15pm-3:30pm** (weather permitting)

We welcome all parents/carers to come along and cheer on your child.

All year groups will be taking part in an Outdoor Classroom Day on **Friday 26th June** (Weather Permitting).

The whole school will be meeting together for a **packed lunch picnic in Oxhey Park**. Please provide your child with a packed lunch for the day unless you have already ordered a school packed lunch.

Our whole school has come together for a thrilling sweep stake, with each class drawing a country to support. The energy and enthusiasm have been wonderful to see, with children showing real passion for their chosen nations.

Now comes the big question – which class will be crowned our World Cup champions? The competition is on, and we're looking forward to seeing which team emerges victorious. It's a fantastic way to bring our school community together

Looking for a simple way to save money, reduce waste and connect with your local community? Olio is a free app that allows neighbours and local businesses to share surplus food and household items that might otherwise go to waste. Many families use Olio to pick up free food, pass on items they no longer need, and support a more sustainable way of living. It's a great way to help your household budget while making a positive difference in the community. Why not download the app and see what's available near you? Why this matters...

- 9 in 10 children own a mobile phone by age 11 (Ofcom, 2024)
- 96% of 12-15 year olds have a mobile phone and 92% have their own social media profiles.
- Almost 3 in 4 teenagers (13-17 years) have encountered harm online.
- 1 in 5 young people aged 16-18 have felt life is not worth living due to social media (Parentkind, 2024)
- 74% of girls who got a smartphone aged 6 years had mental health issues as adults versus 46% who got one at 18 years (University of Birmingham, 2025)
- Teens with problematic smartphone use are 3x more likely to suffer from depression (King's College London, 2024)

Good attendance is vital for all children to support their learning and social development. Following government guidance, we have a duty to inform parents/carers if their child has had several absences from school. If your child's absence is 10% or more, so that attendance is below 90%, they are classed as persistent absentee, and you are at risk of a breach notice and a fixed penalty notice.

This week's attendance award winners are:
3H, 5OB, and 6S 98.7%

All other classes' attendance this week:

4P 97.9%

5W 97.4%

3C 95.3%

4T 95%

6K 91.6%

Well done to all - Great attendance figures this week !
