FIELD JUNIOR SCHOOL

19.07.2024

Year 6 children enjoyed their week full of fun activities both at Hudnall Park and in the local area. Although they seem to have encountered all four seasons in one week, they have made the most of the varied weather. We would like to take this opportunity to thank the staff who have been at Hudnall this week and those who have planned and delivered trips for your children all year- our staff are not paid for the additional working hours this takes and we all appreciate how much the children benefit.

Year 5 have made masks with clay, and they have been burnt in our kiln at school. Their work is in the photo below.

What a fantastic year is has been. We still have two more days next week at school. Year 6 children will have their End of Year Party. We are immensely proud of all of our students this year. We have had many successful trips including Hudnall Park and Phasels Wood; there have been special days such as Viking and Roman Days; we have had many visitors in to enrich the children's learning, including a humanist speaker, our local MP, skipping and dance workshops and our local youth ministry team from Wellspring; there have been Cam toy projects, tribal masks, sewn purses, kebabs, pop up books and many more creative projects; the children have performed beautifully in their carol concert and the year 6 Leavers' Play and of course, the year 6 children achieved brilliantly well in their SATs exams. We are proud of all of the achievements by each and every one of our pupils this year.

The children and staff – including all of our wonderful support staff and site team – have all worked extremely hard to make great progress in their learning and personal development this year and we would like to thank our whole staff team for all of their hard work and our children's families for the support they have offered. Please have a safe, fun summer and we look forward to have the children back in September to do it all over again!
