

Field Junior School

Autumn Term
21st November 2025

It's been another busy week here at Field Juniors, and I wanted to share some key updates with our school community.

On Tuesday, our school photographer visited and captured individual and sibling pictures. I was incredibly proud of how wonderfully well-behaved all the children were during the photo sessions. Today your child has been sent home with their sample picture and code to place an order. There is free delivery to school if you order in the next 14 days.

We also held our parents' consultations on Tuesday and Wednesday. It was wonderful to see so many parents and carers engaging with our teachers. A big thank you to our dedicated teaching staff who made these meetings possible.

Our school nurses visited on Wednesday to conduct height and weight checks for our Year 6 children. Parents can expect letters to be sent directly from the NHS to their home address with the results.

I'd like to draw your attention to our Year 6 Woodrow High House Residential trip. An email and letter were sent home this week detailing important information. The final balance is due on Friday, 1st May 26. We understand that finances can be challenging, so we're offering the option to pay the balance in instalments, provided the full amount is received by the 1st May.

As we move through the changing seasons, I kindly ask that you ensure your child comes to school with a suitable coat and appropriate shoes for the current weather conditions. Please can you ensure any coats, hats, scarves and gloves are marked with your child's name.

An important administrative note: please take a moment to review and update your child's details on Arbour. This includes checking home addresses, contact telephone numbers, and emergency contact information to ensure we have the most current and accurate records.

New Playground Equipment

I'm excited to share an update from our recent school parliament discussions.

Our children expressed a desire for more playground equipment to enhance their break and lunchtime experiences. Listening to their feedback, I've ordered new playground equipment that can be used throughout the year.

It's been wonderful to see the children's creativity in action, as they've already started making up exciting new games with the fresh equipment.

I'm delighted to inform you that we have successfully filled our two available Parent Governor spaces without the need for a formal election.

We have two wonderful parents who have stepped forward to take on this important role in supporting our school's governance. Parent Governors play a crucial part in our school community, providing a valuable link between the school leadership and our families.

I would like to warmly welcome our new Parent Governors, Mr. Griffiths (Year 3 Parent and Mrs. Asif (Year 5 parent) and thank them for their commitment to supporting Field Junior School. Their willingness to contribute their time and expertise is truly appreciated.

Good attendance is vital for all children to support their learning and social development. Following government guidance, we have a duty to inform parents/carers if their child has had several absences from school. If your child's absence is 10% or more, so that attendance is below 90%, they are classed as persistent absentee, and you are at risk of a breach notice and a fixed penalty notice.

This week's attendance award winners are
5W 96%

All other classes attendance this week:

6S 95.6%

4T 94.4%

6K 94.2%

3H 93.7%
