

Field Junior School

Summer Term
22nd May 2026

Our Year 4 children had an absolutely fantastic day on Friday when they stepped back in time to experience life as a Roman. It was brilliant to see so many children embracing the theme with their creative costumes. The highlight for many was undoubtedly the Roman banquet, where they enjoyed bread, cheese, and grapes just as the Romans would have done. Throughout the day, the children participated in a range of engaging workshops that really brought their learning to life. Their enthusiasm and curiosity were wonderful to witness.

This week has also been an exciting one for our Year 6 children. Those who attended our residential trip to Woodrow have had an incredible experience, and I was delighted to visit them on Wednesday and Thursday. I was genuinely impressed by how exceptionally well behaved all the children were, and it was lovely to hear about the variety of activities they've been enjoying during their time away. Their conduct and positive attitudes have been a real credit to the school.

For our Year 6 children who were unable to attend the residential, we organised an activity week to ensure they had equally memorable experiences. Over three days, the children enjoyed a trip to Rickmansworth Waterways, a day out exploring London, and a wonderful day at Cassiobury Park. It's been heartening to see all our Year 6 children making the most of these opportunities and creating lasting memories as we approach the end of their time at Field Junior.

To our Year 4 parents, please note that a letter was emailed out on Tuesday with important information regarding class changes for next year. I do encourage you to take time to read through this carefully.

As we approach the end of this half term, I want to wish you all a restful and enjoyable break. We look forward to welcoming the children back on Monday 1st June as we begin our final term of the year.

French Café—Year 5

Once again we open the doors to our French Café!

An invitation has been sent home with your child. Please can you return the slip by 1st June so we can ensure we buy the correct amount of food.

As part of the French theme, we would like the children to dress up in the French flag colours of blue, white and red, so no uniform is required for the rest of the day. Please note, no football kits are allowed.

50B will be performing their French role play starting at 09:15am and will finish at 10:30am.

5W will be performing their French role play at 10:45am and will finish at 12pm

We will be serving croissants, pain au chocolat, and crêpes on the day. Please inform the school of any food intolerances you or your children may have in advance. The café will be set up in the school annexe. Please enter via the side door on Elfrida Road, where you will be asked to sign in

I'm pleased to highlight the wonderful community spirit shown this week.

50 of our children volunteered alongside Miss O'Brien to undertake a local litter-picking initiative.

The children were extremely enthusiastic and showed how much they care and take responsibility for their local community and environment.

We will be taking part in an Outdoor Classroom Day on **Monday 8th June** (Weather Permitting).

- Activities may include
- Pond/River dipping
 - Invertebrate Hunt
 - Habitats
 - Art in the environment

The whole school will be meeting together for a **packed lunch picnic in Oxhey Park**. Please provide your child with a packed lunch for the day unless you have already ordered a school packed lunch.

Good attendance is vital for all children to support their learning and social development. Following government guidance, we have a duty to inform parents/carers if their child has had several absences from school. If your child's absence is 10% or more, so that attendance is below 90%, they are classed as persistent absentee, and you are at risk of a breach notice and a fixed penalty notice.

This week's attendance award winners are:

5OB 99.6%

All other classes' attendance this week:

6K 99%

3C 98.9%

4T 97.9%

We are currently updating our pupil records on Arbor. As part of this process, we require all children's NHS number.
