

Field Junior School

Summer Term
24th April 2026

This week, our Year 3 and 4 children enjoyed a fantastic tag rugby session led by our Chair of Governors, Mr Talbot, who is also a rugby coach for Fulleriens Rugby Club. It was brilliant to see the children so engaged and energised out on the field – they had a real blast! Physical activity is so important for our children's wellbeing and development. If your child has been inspired by the experience, I'm pleased to let you know that Fulleriens run a mixed training session on Sundays and a Girls session on Thursdays. For further information, please contact the school office. Additionally, Fulleriens are holding a Family Fun Day in July where you'll have the chance to meet the coaches and find out more about the training sessions. More details about this will follow in the coming weeks.

We've also had some exciting deliveries arrive at school this week. Our new playground toys have landed, and what a collection they are! We now have a Giant Kerplunk, dressing up costumes, a stand-on 4-wheel bike, bubbles, and lots more. The children attended an assembly where we talked about how important it is to look after our new equipment and use it responsibly. They're absolutely thrilled, and we've been blessed with some lovely weather too, so the children have been making the most of their playtimes!

I do have a couple of important reminders for you. If your child is in Year 6 and attending the residential trip, please ensure the full balance is received no later than Friday 1st May. We're looking forward to this experience for our Year 6 children.

Finally, a date for your diaries – Year 5 will be putting on a French Café performance on Wednesday 10th June in the morning. Both 5O and 5W will be performing separately, featuring French songs and role play. You'll be able to enjoy the full café experience with tea, coffee and croissants on offer. More details will follow after half term.

Young Carers Offer

Support for Young Carers is now being provided by a new Young Carers team within Hertfordshire County Council, following the end of the young carer contract with Carers in Hertfordshire.

This includes assessments, help with managing caring responsibilities, regular reviews, ensuring the voices of young carers inform the support they receive, and support in preparing for adulthood.

The registration process for young carers is now via a new Young Carers webpage Young carers in Hertfordshire | Hertfordshire County Council. This new webpage has been developed in collaboration with young carers and their families and includes information about the support available, team contact details, and 'a Day in the Life of' form to register a young carer online so that they can get the support they need.

Hertfordshire County Council has contacted all registered young carers directly to welcome them, provide updated contact information, details on how to access support, and a link to the new webpage.

If you need to make contact with the team, please email youngcarers@hertfordshire.gov.uk or call 01992 658469

Good attendance is vital for all children to support their learning and social development. Following government guidance, we have a duty to inform parents/carers if their child has had several absences from school. If your child's absence is 10% or more, so that attendance is below 90%, they are classed as persistent absentee, and you are at risk of a breach notice and a fixed penalty notice.
