

We are pleased to let you know that due to the hard work from teachers and Miss Willimas (our PE subject Leader) implementing our PE curriculum and the extended opportunities we offer in school we have been awarded School Games Mark **GOLD** standard this year.

We have an exciting opportunity for Parent Governors on the Field Junior Governing Board. If you would like to be part of the school community and help us achieve the best that we can be, please apply.

This week's riddle:

I have a tail and a head, but no body. What am I?

See if you know it and find the correct answer in the newsletter.

REMINDERS

Can I remind you that the best time to have a chat with the class teachers is at the end of the school day once all the children have been passed over to the parents. Teachers need to get the children into class together first thing in the morning to explain the early bird tasks and take the registers, therefore do not really have time to speak to a queue of parents first thing.

Thank you for your consideration.

To be able to offer the enriched curriculum to our students we need contributions from Parents/Carers. We have not had a great response for swimming and Victorian day, so please take into consideration, that such activities may not be available in the future, if the school will not be able to afford it.

The only jewellery, that children can wear to school, are stud earrings. No necklaces or bracelets.

Thank you to all the children, who entered the competition. We were very impressed with the number of entries. It is clear that the children put a lot of effort into their drawings - they were all very impressive. It was a difficult decision but the winners are:

3WA - Yeshna
3M - Alp
4H - Trisha, Niranjana
4C - Ash, Paul
5T - Aayushi, Idil
5W - Luke, Kiaan
60B - Alayna, Harry, Klara and Abel
6K - Prerana, Tia

Special thanks to Hannah for the Eiffel Tower shortbread biscuits.

Miss Timms

We had a few entries for our poetry competition. It was a great pleasure to read all of the poems. Children made a great effort and it gave us an insight of the personalities that we have among our students. The deadline is 20th of October, so we are looking forward to reading more of those poems.

At our school we are passionate about reading, especially reading for pleasure. Year 6 went to Watford library on Wednesday. They learnt about the dewy system and how it works and played a bingo game based on it. They also did a scavenger hunt around the children's section, which they enjoyed. We hope that this visit will remind the children how important using the library is and how it's such a fantastic resource to have and ultimately help children to foster a love of reading.
