

Field Junior School

Autumn Term
7th November 2025

Welcome back! It's wonderful to hear about all the exciting experiences our children have had during the half term break.

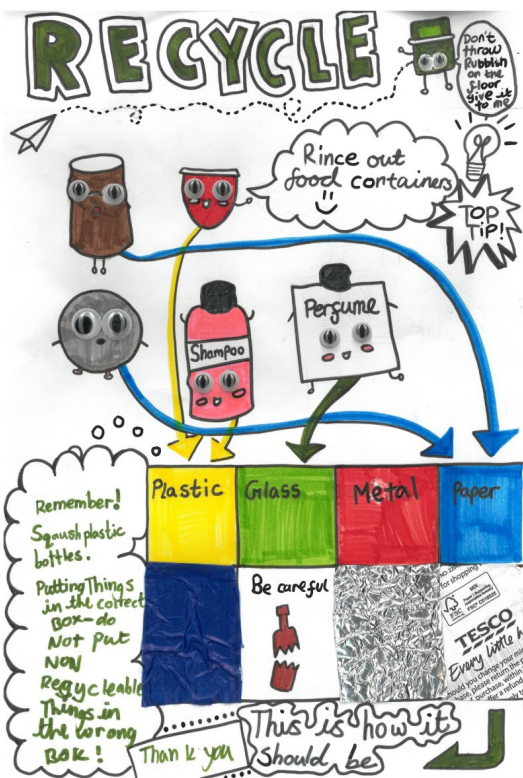

This week has been packed with engaging learning opportunities across our school. On Wednesday, Miss Timms and Miss O'Brien led our whole school assembly, taking our children on a fascinating journey through Mexico, broadening their cultural understanding and knowledge.

Our Year 5 children have been particularly active this week. They embarked on a geography learning walk, exploring local town planning and recycling, connecting classroom learning with real-world observations. Later in the week, they visited the Hazard Alley safety centre in Milton Keynes, where they developed crucial life skills. The children worked through various scenarios covering rail, road, cycle, and pedestrian safety, as well as online safety. They even learned some emergency first aid - vital knowledge that will serve them well throughout their lives.

Our Year 3 children also had an exciting educational experience, participating in a workshop focused on light and dark. This hands-on learning opportunity helps them explore scientific concepts in an engaging and interactive way.

Looking ahead, our Year 6 children will be travelling to the Ragged School Museum next Tuesday for a Victorian-themed trip. Parents, please remember to send your child with a packed lunch for this historical adventure.

Next Wednesday, our Year 4 children will be participating in a super power workshop. This engaging session promises to be an exciting learning experience for our children, offering them a unique opportunity to explore and develop new skills.

Veolia Recycle Week Competition

We are extremely proud of 2 students in Year 5.

Lok and Maryam have been chosen as highly commended entries by the panel of judges at Veolia.

Their posters will feature on Watford Borough Council social media channels alongside the winning poster and other highly commended posters.

Once again, Veolia would like to say thank you to all of the students who participated in the competition - they hope that taking part has helped them to become better recyclers!

Parents Consultations

Tuesday 18th and Wednesday 19th

November

An email was sent out on Monday. Parents consultations are available to book. Thank you to those who have already booked. If your chosen slot is no longer available please speak to your child's class teacher.

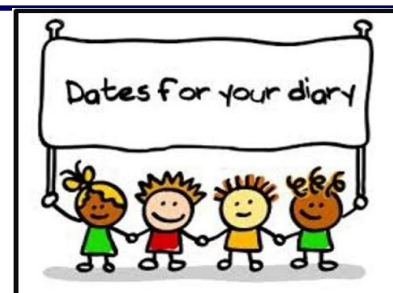

Official Poppy Day Merchandise will be available for your children to buy until Remembrance Day 11.11.25. The School Parliament Representatives will be selling the items during the school day.

This is always a very popular appeal with our children and stocks do run out quickly.

We ask that your child brings a cash donation towards any item they wish to buy. This will help to raise vital funds for The Royal British Legion.

Good attendance is vital for all children to support their learning and social development. Following government guidance, we have a duty to inform parents/carers if their child has had several absences from school. If your child's absence is 10% or more, so that attendance is below 90%, they are classed as persistent absentee, and you are at risk of a breach notice and a fixed penalty notice.
