

Field Junior School

Autumn Term
10th October 2025

This week, we held a Governor Strategy Day in school, which involved members of our governing board coming in to discuss our priorities for the year. As part of the day, some of our governors met with groups of children to discuss their learning and experiences at Field Juniors. The governors were please to see that the children felt supported in their learning and safe in school. Thank you to our governors for the time they contribute to the running of the school- they are an important part of our school community and we are grateful for their time.

We would like to remind parents that the contributions to non-residential school outings and trips are voluntary, however, we do still need your consent to take your child offsite. If you receive a follow-up letter after an initial letter is sent, please ensure that your consent has been given on Arbor or on the form provided. We are committed to ensuring that all children access the experiences we are offering and appreciate the contributions we do receive as these enable us to offer varied and exciting opportunities for the children.

It has been brought to our attention that children, particularly from year 5, have been playing in the park in the mornings unattended and have been missing the bell for the start of the school day. Further to this, on Friday, we were informed of an incident where children were kicking an unattended bag that had been identified as potentially suspicious and was awaiting police attention. If your child is walking to school unattended in the mornings, please remind them to come straight onto the playground and to remain on the playground until they are collected by their class teacher.

We are delighted to share two important staff updates. Miss Williams will be starting her maternity leave next week - we extend our warmest congratulations to her. Additionally, Miss Polly will be leaving us to pursue an exciting new career in health and nutrition group.

Next week, we will be celebrating Diwali on Friday with a non-uniform day. We would love it if the children come to school in colourful and fun clothes to celebrate this festival.

Tuesday 6th January Children back to school

Good attendance is vital for all children to support their learning and social development. Following government guidance, we have a duty to inform parents/carers if their child has had several absences from school. If your child's absence is 10% or more, so that attendance is below 90%, they are classed as persistent absentee, and you are at risk of a breach notice and a fixed penalty notice.

This week's attendance award winners are
6S 99.3%

All other classes attendance this week:

3H 98.1%
3C 97.4%
6K 96.1%
