Dear Parents/Carers of children who are learning from home.

Thank you, once again, for all your patience and the fantastic effort you are putting into helping your children with their online learning- the class teachers are really proud of all the work that your children are handing in online. In some cases, teachers are following up with phone calls to home where there are issues around learning. Please be aware this will be from a withheld number.

I understand how difficult this time is for all of you, particularly if you are having to juggle working from home AND supporting your children, but we are very grateful. (If it is any consolation, the staff who have their own children, at home, completing work on Google Classrooms know exactly what you are going through- and they are Qualified Teachers!)

We have had another Virtual meeting this week, as a staff team, and we have decided to:

1. Introduce a weekly virtual class meet-up: we are aware that some children may be feeling very isolated and therefore the class teachers will be arranging a class meet up via Google Classrooms. Your class teacher will set the time and date for this. They will post this on their stream. If your child cannot attend this meeting because you are sharing devices, unfortunately this will not be able to be re-arranged.
2. To make life easier for parents, we have also decided to post work at 8:30 each day to enable children to access work a little earlier, however feedback and support will not start until 9am.
3. As instructed on the teacher's stream each day, children are expected to read daily. In order to support you with this, try this useful FREE website. (You will need to sign up).

<https://home.oxfordowl.co.uk/reading/free-ebooks/>

## **Reminders**

Please could you ask your children, when they log on each day, to check the main stream for teachers comments as there will be instructions for each days learning.

Please note that work set on a Friday will be set by SLT and will not be monitored throughout the day as they will be independent activities for the children to carry out.

Stay Safe and sending my best wishes to you all.

Miss J Brooks  
Headteacher
