

Robotics

After School Club

Build it. Code it. Make it do things.

Years 3-6

Every Thursday 3:30-4:30pm Autumn Term 2026

£13 per session **14 Sessions** **£182** for the full term

What your child will do

Over 12 weeks, children progress through three exciting phases:

1

**Hands-on with the
Microbit Building Kit**

2

**Timers, lights & sound
experiments**

3

**Design your own Microbit
Arcade game**

To make payments more flexible, parents can book sessions either before or after half term. Please select the individual dates you would like to book within your chosen period.'
